

FDIC. The outreach program is incorporated into FDIC policies and guidelines governing contracting and the retention of legal services.

§361.5 What are the FDIC's oversight and monitoring responsibilities in administering this program?

(a) The FDIC Office of Diversity and Economic Opportunity (ODEO) has overall responsibility for nationwide outreach oversight, which includes, but is not limited to, the monitoring, review and interpretation of relevant regulations. In addition, the ODEO is responsible for providing the FDIC with technical assistance and guidance to facilitate the identification, registration, and solicitation of MWOBs.

(b) Each FDIC office that performs contracting or outreach activities will submit information to the ODEO on a quarterly basis, or upon request. Quarterly submissions will include, at a minimum, statistical information on contract awards and solicitations by designated demographic categories.

§361.6 What outreach efforts are included in this program?

(a) Each office engaged in contracting with the private sector will designate one or more MWOP coordinators. The coordinators will perform outreach activities for MWOP and act as liaison between the FDIC and the public on MWOP issues. On a quarterly basis, or as requested by the ODEO, the coordinators will report to the ODEO on their implementation of the outreach program.

(b) Outreach includes the identification and registration of MWOBs who can provide goods and services utilized by the FDIC. This includes distributing information concerning the MWOP.

(c) The identification of MWOBs for the provision of legal and non-legal services will primarily be accomplished by:

(1) Obtaining various lists and directories of MWOBs maintained by other federal, state, and local governmental agencies;

(2) Participating in conventions, seminars and professional meetings comprised of, or attended predominately by, MWOBs;

(3) Conducting seminars, meetings, workshops and other various functions to promote the identification and registration of MWOBs;

(4) Placing MWOP promotional advertisements indicating opportunities with the FDIC in minority- and women-owned media; and

(5) Monitoring to assure that FDIC staff interfacing with the contracting community are knowledgeable of, and actively promoting, the MWOP.
